

Keeping Safe at the Beach - F.L.A.G.S.

Draw a line connecting the picture to its correct statement.

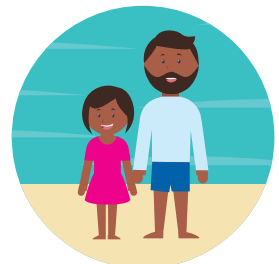

Put your hand up for help if you get into trouble

Look for safety signs

Go swimming with an adult.

Swim between the red and yellow flags

Ask a Lifesaver or Lifeguard for safety advice.

Name: _____

Lifesavers at the beach!

Lifesavers are at the beach to help you. They put the red and yellow flags in the safest place for you to swim at the beach. Make sure you come and say hi when you see us at the beach! Colour in the lifesavers using red and yellow pencils.

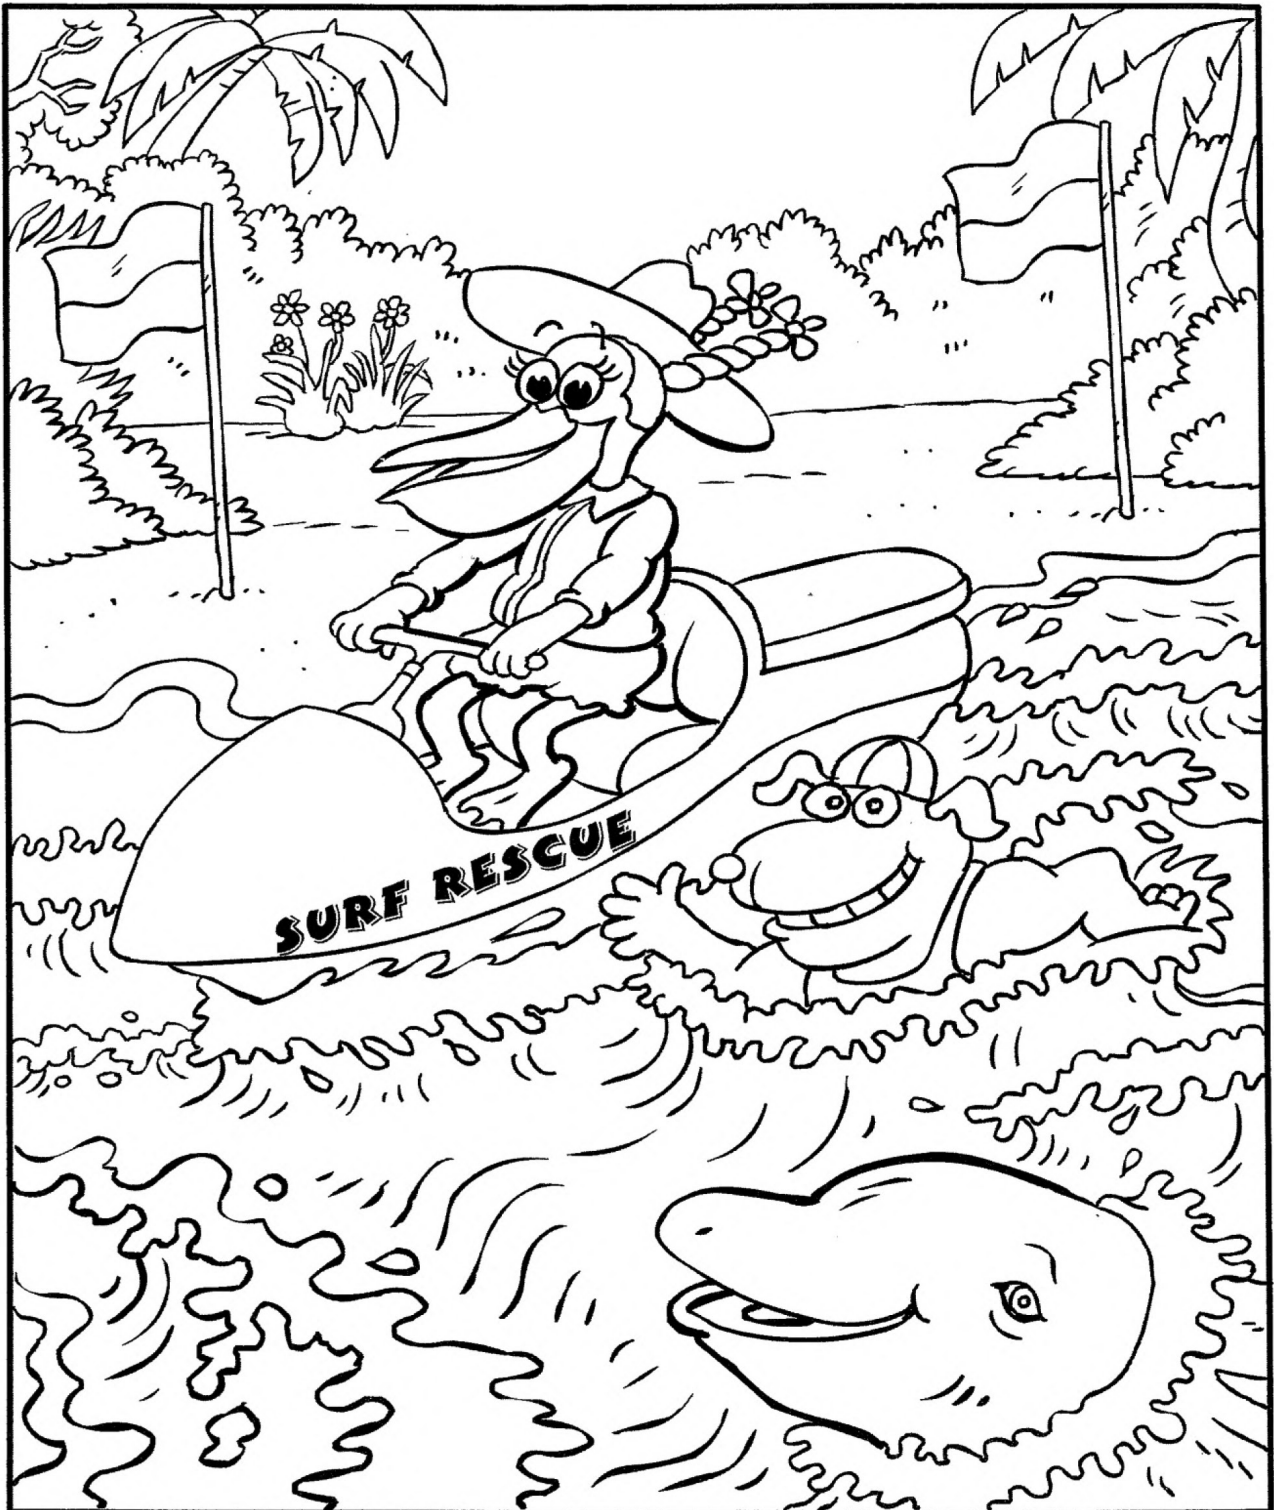

Always swim
between the red
and yellow flags
so lifesavers can
see you

Lifesavers help
people when they
get into trouble in
the water

Colour Me In

Colour in 'Sandy the Surf Dog' and 'Penny the Pelican' having fun at the beach.

SURF LIFE SAVING
QUEENSLAND

Sun Smart

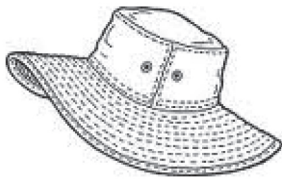

Match the Sun Smart words to the picture by drawing a line from one to the other. Then colour in the pictures.

SLIP

SLOP

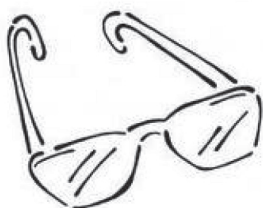

SLAP

SLIDE

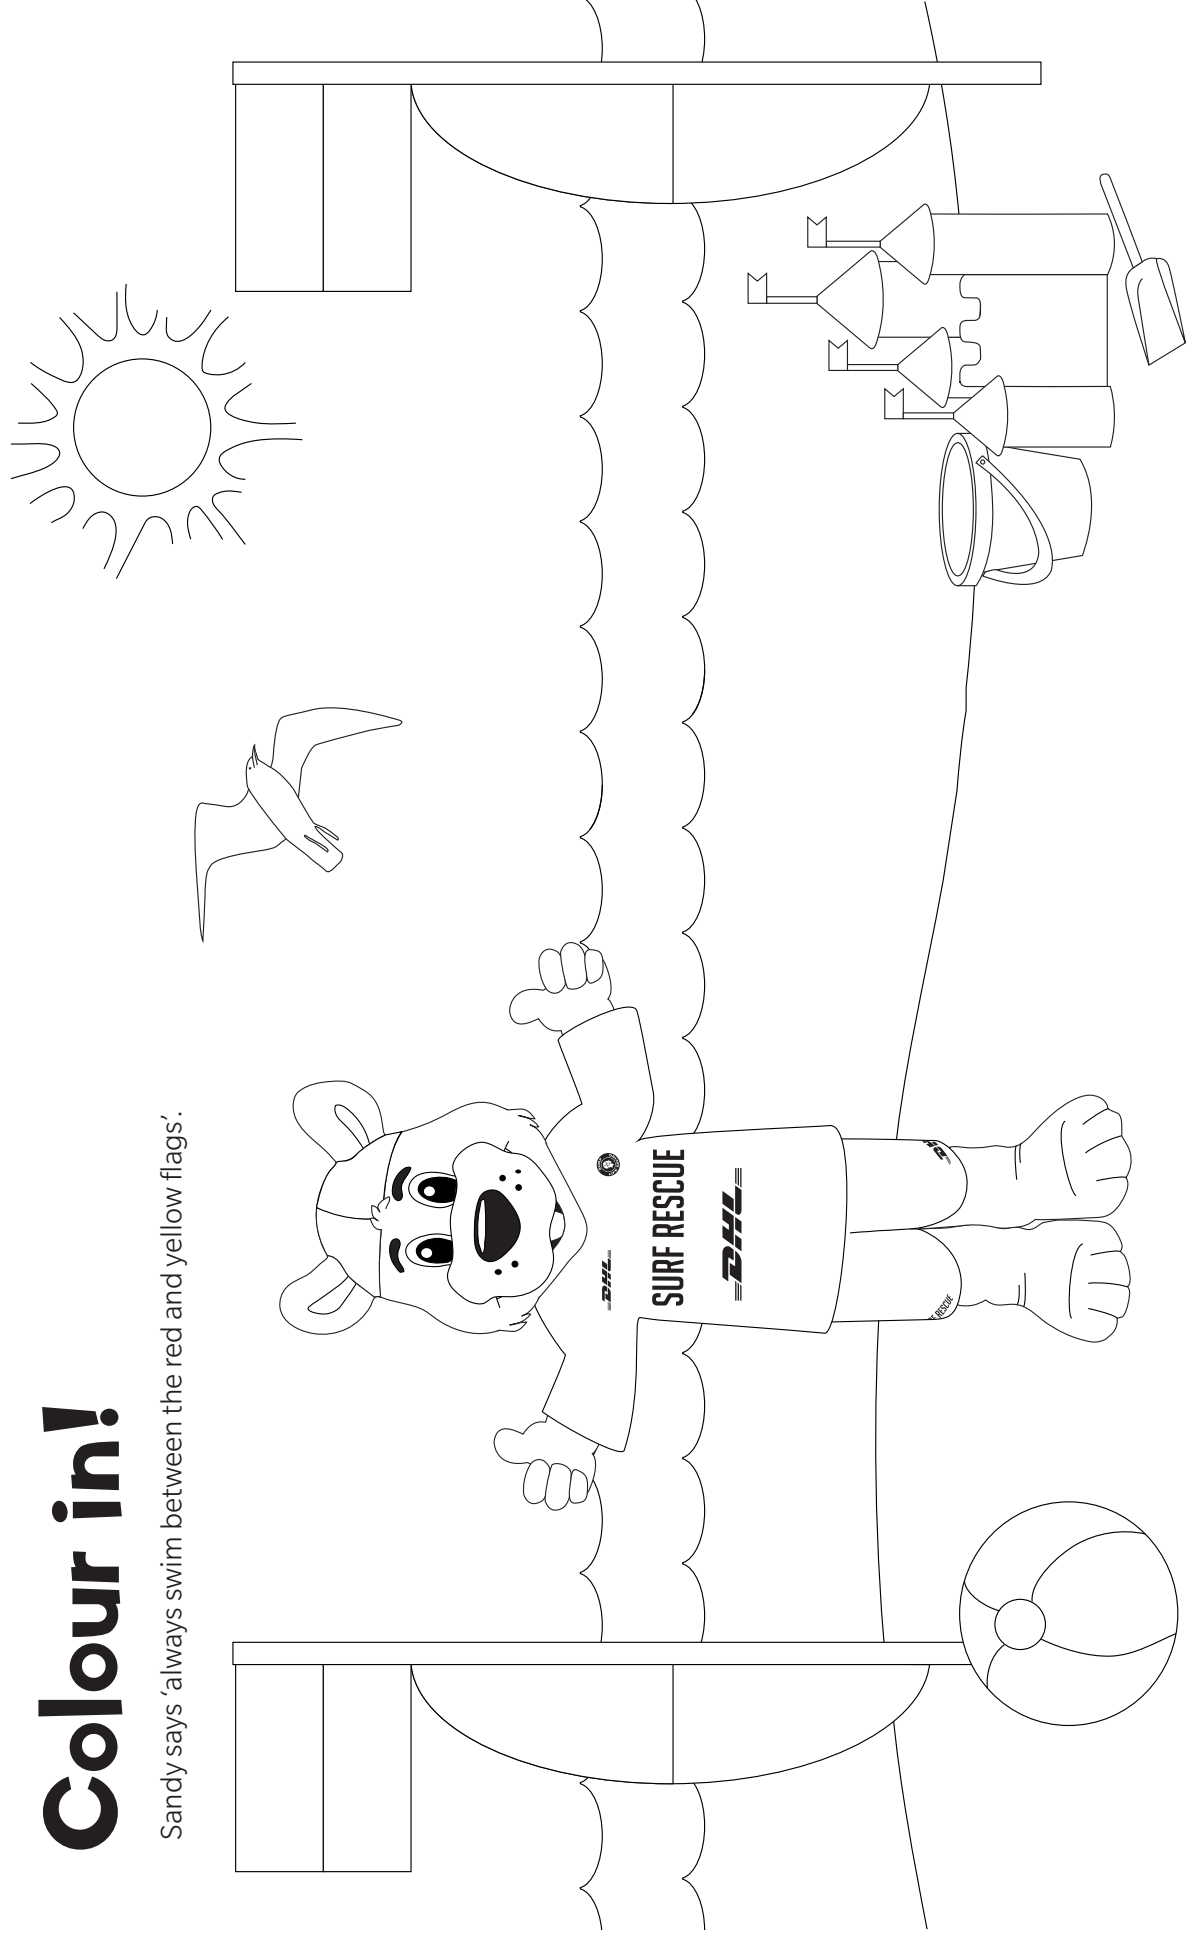

SEEK

SLURP

Colour in!

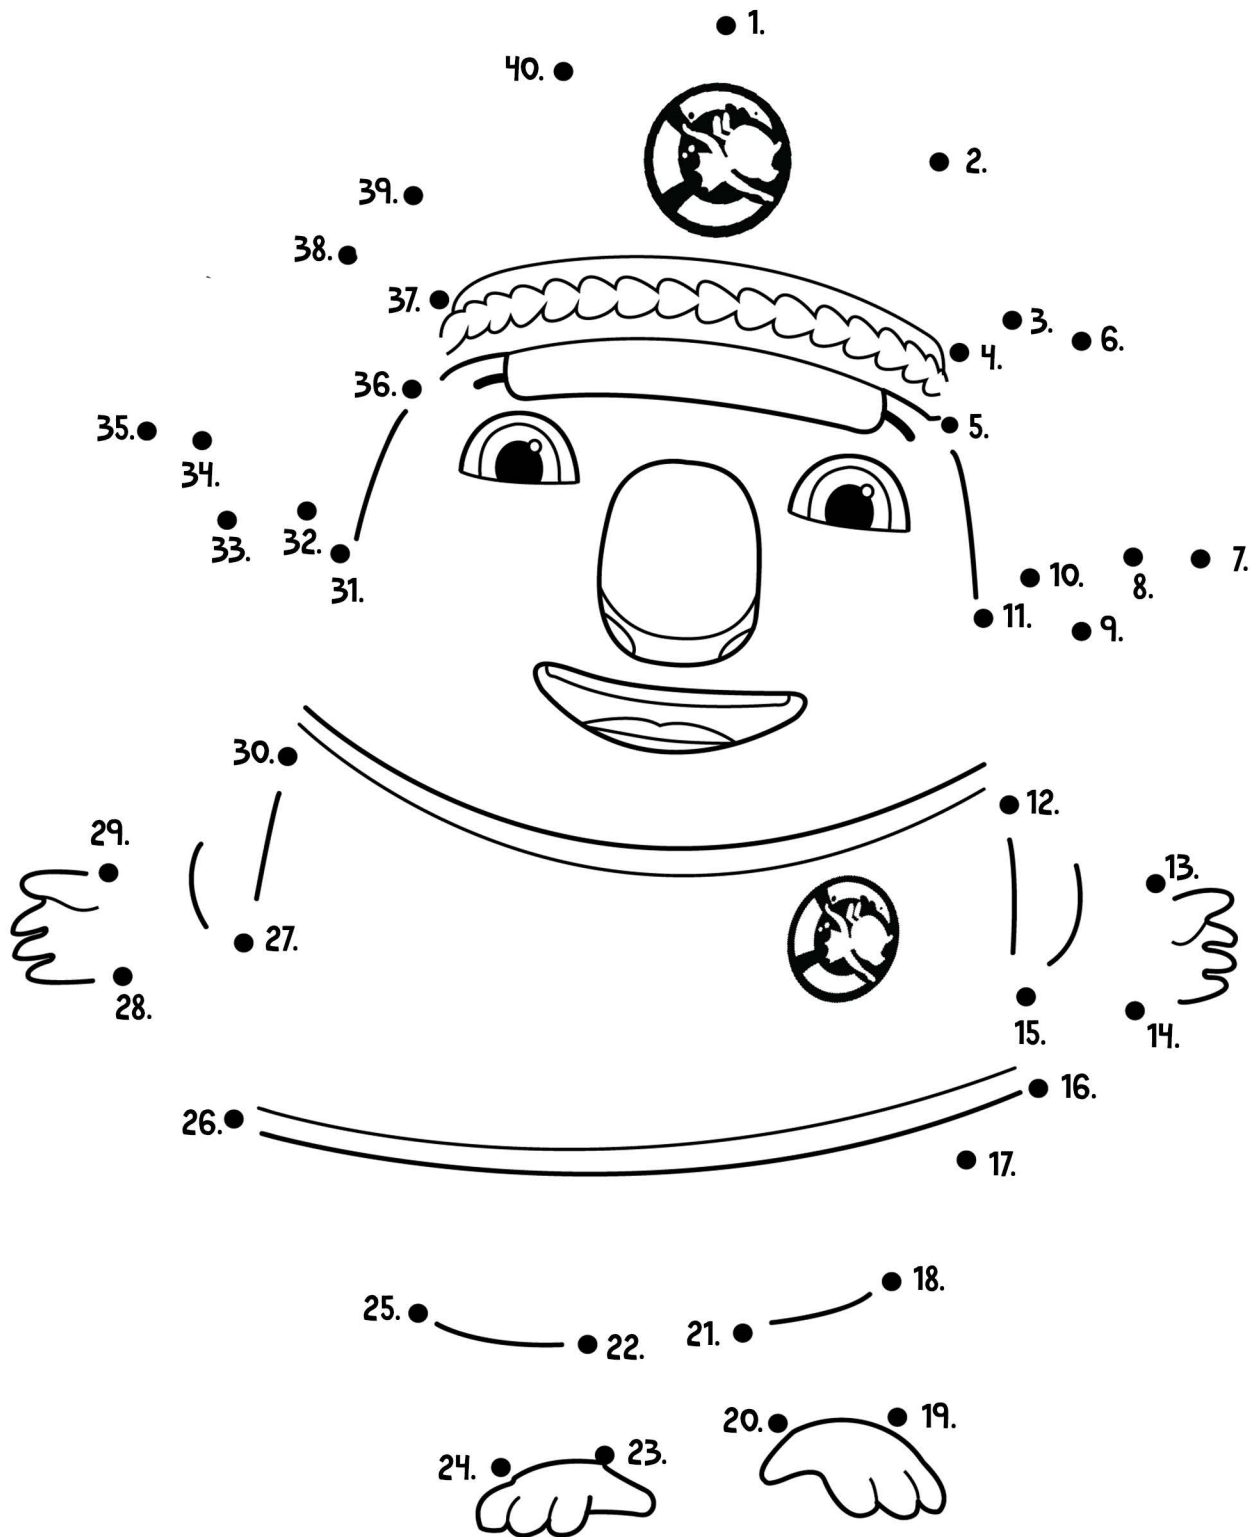

Sandy says 'always swim between the red and yellow flags'.
